MINORITY CELL

The Purpose of the minority cell constitution is meant to empower the minority community students of the college. Minority cell basically helps minority students including Christian, Muslim, Jain, Buddies etc. for their academic development. The cell facilitates in getting financial support to the minority communities from government agencies and other sources.

OBJECTIVES:

- To ensure protection and reservation facilities as provided in the Constitution of India.
- To enhance equal opportunities for education of minority communities.
- To create awareness among the minority students regarding various scholarship facilities provided by the state government, UGC and other sources
- To facilitate financial support to students from minority communities, government agencies and other sources.
- To ensure a safe and secure environment for the students.
- To encourage enrollment for career orientation programs to choose suitable career options.
